# Malt Whisky Selection

## Isle of Islay

### **Ardbeg 10yr old (46%)** **£3.75**

Dominant aromas and insistent Peatiness balanced by sweeter tones. Established 1815 Ardbeg stands alone as one of the most delicate and complex malts, revered by connoisseurs as something extraordinary.

### **Ardbeg Uigeadail 10yr old (54%)** **£4.75**

Considered the most pungent of all Scotch whiskies. Pronounced "Oog-a-dal" takes its name from the loch which provides the peat-laden water. The special vatting of Ardbeg marry together the deep, smoky notes with luscious sweet raisiny tones of old ex-sherry casks.

### **Bunnahabhain 12yr old (46%)** **£3.75**

Lightly Peaty. Pronounced "Bu-na-ha-venn". Gentler than most Islay whisky's due to the lighty peated malted barley & margadale spring water used in its creation.

### **Bruichladdich 10yr old (46%)** **£3.75**

Fruity light aromas with some mint. Sweet & malty taste with a touch of lemon. "Brook laddie" Gaelic for raised beach, is a privately owned distillery. Natural whisky distilled with unpeated barley, matured and bottled with Islay spring water, maximise aroma, weight and depth of flavour.

### **Bruichladdich 17yr old Rum Cask (46%)** **£5.75**

A subtle malt, a light dry fresh tasting whisky. Jim McEwan's Moine Mhor (Gaelic for "the big peat") is the 2nd edition with more peat & higher strength, it provides the attractive peat flavours without the medicine.

### **Bowmore 12yr old (40%)** **£3.75**

Medium, lightly syrupy with remarkably long and salty finish. Bowmore Distillery has been perched boldly at the edge of the rugged Hebridean Island of Islay since 1779.

### **Caol Ila 12yr old (43%)** **£3.75**

Nicely blended & least peaty of the Islay whiskies, pleasantly dry & well-rounded. For more than 150 years a distillery has stood at remote Caol Ila the largest of Islays eight distilleries. Not as pungent as some of its neighbours Caol Ila combines an unmistakable Islay character with sublime drink-ability.

### **Caol Ila 12yr old Cask Strength (61%)** **£4.75**

This is a whisky capable of bringing joy to the most jaded peathead. Young with real power and attack. The smoke appears from half way but is balanced by a sweet centre. Oily, rich, even salty. A young cracker. Don't pass this up.

### **Lagavulin 16yr old (43%)** **£4.75**

The aristocrat of the Islays. It has a powerful, peat-smoke aroma. It is described as being robustly full-bodied, well balanced, and smooth, with a slight sweetness on the palate.

### **Laphroaig 10yr old (40%)** **£3.75**

A robust, full bodied classic Islay malt with a trace of seaweed in its strong peaty flavours. Pronounced "La-froyg" Laphroaig is a Gaelic word meaning "the beautiful hollow by the broad bay". ### **Oban 14yr old (43%)**

## *Isle of Arran & Jura*

### **Arran 10yr old (Isle of Arran) (46%)**

**£3.75**

A more full bodied and flavoursome single malt. The aromas of sweet vanilla & fruit are in complete harmony. A unique single malt that captures the character of this beautiful island of pure mountain water and soft sea air. A touch of cinnamon adds a spicy edge to the soft and sweet texture. The classic Arran citrus notes have rounded with age and reveal new depths of character against a background of sweet oak.

### **Arran 8yr old 100% Proof (Isle of Arran) (57%)**

**£3.75**

Full bodied with intense fruitiness, a burst of citrus, apples, pear & rich vanilla. A true blast of fresh island character with a full-bodied, oily edge which coats the palate. **£3.75**

### **Jura 16yr old (Isle of Jura) (40%)**

**£4.75**

Sumptuous, yet gently spiced. With the smoothness of the 10 year-old allied to extra complexity from more ageing, this is a winner. 'A delicious and sophisticated dram with impressive depth and almost perfect weight.

## *Isles of Skye & Orkney*

### **Talisker 10yr old (Isle of Skye) (46%)**

**£3.75**

Full bodied with a rich, peaty flavour and malty fruity sweetness. Established in 1830 Taliskers character is as unchanging as Skye's famous Cuillin hills. A soft smoky nose introduces its deep sweet taste, rich in barley malt. This is "a robust malt to enjoy, not to be sipped cautiously".

### **Talisker 18yr old (Isle of Skye) (46%)**

**£5.75**

It has full, pleasant, smooth body. A medium length finish. Talisker's characteristic chilli 'catch' in the finish is subtly present in the aftertaste. On the palate it's sweet in front, then more assertive, with a whiff of smoke. The overall effect is warming.

### **Highland Park 12yr old (Orkney) (40%)**

**£3.75**

A medium bodied malt w. a heathery, smoky aroma, peaty flavour & sweet tones. Northern-most Scotch Whisky distillery, established 1798 "The greatest all-rounder in the world of malt whiskey" Michael Jackson the malt whiskey companion.
